

ART WORKSHOP BY - David Hudson

PRESENTATION OF AN ART PIECE OR ART WORKSHOP FOR CORPORATE CLIENTELE

ART PIECE

David is able to create a unique piece of art that accentuates the trip or experience that the client has participated in. This is created with the incorporation of an Indigenous theme and bringing this together creating a totally unique and individual piece of art work that the client may hang in their office or prominent place. This becomes a customized art piece individually designed for this occasion.
